MEMORANDUM FOR: Deputy Director/Intelligence

SUBJECT: Comments on CFEP 568/2, "Foreign Economic Policy Recommendations for Africa South of the Sahara"

REFERENCE: Memorandum from Chairman, CFEP, dated 13 June 1958, transmitting CFEP 568/2

The following comments are submitted in connection with the referenced CFEP memorandum:

1. Item 3b. It has been suggested that provision should also be made for the training of local health officers or "semi-doctors," as is now being done in Ethiopia. This sentence might be changed to read: "... for equipping and staffing modern clinics."

2. Item 6, second paragraph, next to last sentence. We understand contrary to the statement in this sentence that the Foundation for Mutual Assistance in Africa South of the Sahara (FANA) in early 1958 under the CCTA provides financial assistance.

3. We feel that maps at a scale adequate for economic planning are basic to all development and that a recommendation should be included in this paper that action to obtain such maps be initiated at an early date.
